Please initial the boxes below to indicate true statements:

	I have a strong interest in working with non-horse-owning and new-horse-owning novices.
	I understand that my students will not be able to complete all of the AARS lesson requirements unless I offer both English and Western instruction, at least at the novice level.
	I understand that my students will not be able to complete all of the AARS Senior Certificate requirements unless I deliver a non-breed-biased introduction to horses; even though I may have a personal favorite.
	I understand that the AARS values instructor certification, and strongly encourages me to become certified by the American Riding Instructors Association (ARIA) or the Certified Horsemanship Association (CHA).
	I understand that the AARS encourages my participation in safety programs such as those developed by the North American Horsemen's Association (NAHA) and the Certified Horsemanship Association (CHA).
	I understand that the AARS encourages me to operate my lesson program as a legal and ethical small business with regard to customer service, bookkeeping, personnel administration, and income and payroll taxes.
	The long-term success of the AARS depends on its ability to develop a nationally consistent business model. I understand that the AARS strongly encourages me to purchase and use the foundation AARS classroom materials with all of my youth and adult novice riders. These include the Junior Rider Booklet, the two Senior Rider Booklets, the ribbons and certificates that accompany them; and the Day with Horses Booklet for one-time events and camps.
	I own a computer with internet access, and a printer.
	Please read carefully: I am submitting credit card information, and authorize the AARS to process a one-time \$100 registration fee to cover (1) my listing under the Find a Stable tab on the ucanride website; (2) the right to display the AARS logo; (3) hundreds of pages of AARS business support and classroom materials delivered to my e-mail address; (4) the right to purchase AARS Senior and Junior Booklets, Ribbons and Certificates; and (6) an instructor's starter pack of booklets and materials with a retail value greater than \$100. I further understand that if I make no teaching and reward materials purchases during a calendar year, my AARS registration will be terminated; and that I will need to re-pay the \$100 one-time registration fee to re-activate my registration.
	I understand it is against federal copyright law to reproduce any part of AARS booklets, brochures, or materials other than those explicitly developed and approved for duplication by the AARS. Violators who reproduce less than \$2,500 worth of copyrighted material can be charged with a federal misdemeanor violation carrying a maximum penalty of one year in jail, a \$100,000 fine, or both.
